A celebrated choral masterpiece, Bach's *Mass in B Minor* is, in effect, a summation of his life's work. With his use of virtuoso choir, solo voices, solo instruments, chamber ensemble and large orchestra, Bach expresses emotions and ideas that transcend the familiar words of the liturgy.

Wimbledon Choral Society is accompanied by Florilegium, 'magicians who will hypnotise your mind,' according to a recent French review. The concert also features a stunning array of soloists, such as royal wedding star Elin Manahan Thomas. WCS is delighted to return to Cadogan Hall to present this colossal work of art.
