

**FAITH IN ACTION**  
helping with homelessness

**We are a Merton-based charity,  
supporting homeless and  
vulnerably-housed local people  
through:**

- **The Merton Homeless Drop-in** - open twice weekly all year round, we offer hot meals, showers, laundry, sleeping bags and clothing. Our eight staff help people identify the barriers in finding housing and employment and offer support in addressing them. We welcome around 60 people at every Drop-in session.
- **The Merton Winter Night Shelter** - operating from December to mid-March in a variety of venues across Merton, we provide shared overnight accommodation, supper, breakfast and companionship for 14 homeless people.
- **Partnerships** - we further support people through our work with local partners including Merton Council, NHS services, Dons Local Action Group, drug and alcohol charity Via, and housing charities (including the YMCA).

**It costs £2,000 to run each session at our  
Homeless Drop-in. Please help us if you can.**
