Come and Sing Day

Saturday 11 October 2025
St. Martin's Church, Dorking

Bach St. John Passion - highlights

"I love the St. John Passion. I find it very powerful and moving - in a different way entirely to the monumental St. Matthew Passion. I can't wait to spend a day sharing the wonderful choruses and chorales in the St. John, truly heart-rending and also life-affirming." **Neil Ferris, Festival Conductor.**

The day will culminate with an informal performance.
